Bibliography

Scientific publications

Reports, Short communications, Posters.

2005: Short communication: On a case of Granular Cell Tumor at the level of the vocal cords in a 6 year old male collie. Proceedings of the 50th Scivac National Congress, Rimini, 2005.

2006: Short communication: Papular cutaneous lesions with cytological finding of organisms *Leishmania* spp. In 10 young subjects. Proceedings of the 53rd Scivac National Congress, Rimini, 2006.

2006: Report: cytological diagnosis of nasal and nasopharyngeal diseases by crushing from endoscopic biopsy. Proceedings of the 53rd Scivac National Congress, Rimini, 2006.

2007: Short communication: cytological picture of 11 cases of cat nasal polyposis. Proceedings of the 55th Scivac national congress, Medicina Felina, Milan 2-4 March 2007.

2007: Short communication: Cat rhino-sympathetic neoformations: retrospective evaluation on 30 cases. De Lorenzi D., Bottero E. Proceedings of the 55th Scivac national congress, Medicina Felina, Milan 2-4 March 2007.

2007: Poster. Retrospective study of 124 cases of canine leishmaniasis: clinical and diagnostic aspects. Poggi M., Bottero E, et al. Proceedings of the 56th Scivac National Congress, Rimini, 2007.

2007: Report: Operative endoscopy: foreign bodies and esophageal strictures in dogs and cats. Acts of the 56th Scivac National Congress, Rimini, 2007.

2009: Specialized cytology workshop: gastrointestinal cytology.

2010: Cat respiratory disorders: how endoscopy helps us in the correct diagnostic process. Rimini 2010. Scivac National

2010: Regurgitation and vomiting: two similar symptoms for different pathologies. Clinical and diagnostic approach. Rimini 2010. National Scivac

2011: How to optimize endoscopy in the management of complex gastrointestinal clinical cases. Riccione 2011

2011: Regurgitation: the same symptom for very different pathologies. Meriale 2011, Riccione.

2012: Non-neoplastic nasal neoformations: is there something new? Milan National Scivac.

2012: Clinical approach to weight loss, vomiting and diarrhea in dogs and cats. Milan National Scivac.

2012: Dioidi laser in veterinary medicine. National Scivac Rimini.

2013: Airway cytology of the cat: how to perform it and how to interpret it. National Scivac Rimini.

2013: Lymphoma in dogs, a complex diagnosis involving the national Scivac Rimini gastroenterologists. 2013

Specialist workshop: What has changed in gastroenterology in the last 2-3 years. National Scivac Rimini

Membership in Scientific Societies: Italian Cultural Society Veterinary Animals Companions (SCIVAC) (1997 - current)

Since 2008 Vice President of the Italian Society of Veterinary Cytology (SICIV). from 2011-2014 **President**
